**25<sup>th</sup> International symposium in the field of pulp, paper, packaging and graphics will be held in Belgrade, Chamber of Commerce and Industry of Serbia, June, 10<sup>th</sup> – 12<sup>th</sup>, 2024.**

Symposium is organized by Center for pulp, paper, packaging and graphics industry of Serbia and Faculty of Technology and Metallurgy in Belgrade, under the patronage of Ministry of Science, Technological Development and Innovation of Republic of Serbia, The Town of Belisce, Republic of Croatia and Association of Forestry, Wood Processing, Furniture and Paper Industries of Chamber of Commerce and Industry of Serbia.

### **THE MAIN GOALS OF THE SYMPOSIUM ARE:**

- Gathering experts from the pulp, paper, packaging, and graphic industries, as well as representatives from higher education institutions, to exchange information on the latest technologies and new operations and processes in existing technologies. The aim is to achieve cost reduction in production, improve product quality, introduce circular economy practices, preserve the environment, ...
- Providing experts with the opportunity to present the results of their previous work to colleagues and critically explore possibilities for achieving high-quality products that meet the demands of the global market, through lesser investments in existing equipment and improved work organization in their companies.
- Promoting young professionals (engineers and students) at the symposium by showcasing their works and innovative solutions, with the selection of the best works to be appropriately rewarded.

### **TOPICS OF SYMPOSIUM ARE:**

- Innovations in the production processes of the pulp and paper, packaging, and graphic (CPAG) industries: new technologies and trends for more cost-effective operations;
- Application of digital technology in the CPAG industry: integration of production, marketing, and distribution to enhance business performance;
- Efficiency of energy processes: the use of renewable sources and technological innovations in energy saving;
- Sustainability and circular economy in the CPAG industry: the path towards more sustainable business practices;
- Ecology and environmental protection in the CPAG industry: waste management and waste paper as a strategic raw material.
- Examples of good practice and innovative solutions in the CPAG industry: a retrospective on achievements in the past period.
- Training qualified personnel for the CPAG industry and encouraging young talents: current needs and future perspectives.

### **SYMPOSIUM PROGRAM CONSISTS OF:**

- Plenary lectures (20+5 minutes for discussion);
- Other lectures (15+5 minutes for discussion);
- Promotions of technology and products of local and foreign companies (as agreed);
- Round table - discussions on selected present themes.

**The papers presented on symposium** will be printed in the Proceedings, as camera ready, without proofreading.

Invited lectures should include up to 10 A4 pages, other lectures up to 8 of typed text, including pictures and other attachments.

The authors will be provided with: video projector, computer, sound system and screen. Should the authors have some special requests, they are asked to note it in advance. Works must be delivered as camera-ready Microsoft Word files.

**Please prepare your papers according to the following instructions:**

A4 format, all margins 2,54 cm, font Calibri Light, single spacing, the first line of each text paragraph indented by 1,27 cm.

**Apply the styles in the following order:**

MAIN TITLE (capital letter, 16 pt, bold); authors (12 pt); company / institution name followed by city and country (12 pt); abstract (up to 7 lines, 12 pt, italic); key words (12 pt, bold italic); numbered chapter title (12 pt, bold).

**For example:** INTRODUCTION, 12 pt, bold; text of the paper (12 pt); references (11 pt, italic).

At the end of the document state name(s) and full postal and e-mail address of corresponding / presenting author.

**TEMPLATE** for papers that authors should be sent to the Scientific Board of Symposium can be downloaded **HERE**

**Accepted papers** will be printed in Proceedings.

**Deadline** for application of your work is **Mart 10<sup>th</sup> 2024.**

If you want your work to be published in official Publication, you should send it before **May 1<sup>st</sup>, 2024.**

**Please register [HERE](#)**

**The membership** for the symposium is mandatory for all participants and is **200 EUR**, and it includes participation in the Symposium, printed copy of Proceedings and the accompanying materials, refreshments during breaks and ceremonial dinner.

**Official languages** are Serbian and English, and the simultaneous translation will be provided.

## 25. međunarodni simpozijum iz oblasti celuloze, papira, ambalaže i grafike, održaće se u Beogradu, u Privrednoj komori Srbije, Terazije 23, od 10. do 22. juna 2024.

Simpozijum organizuju Centar celulozne, papirne, ambalažne i grafičke industrije Srbije i Tehnološko-metalurški fakultet (Katedra za grafičko inženjerstvo) Univerziteta u Beogradu, pod pokroviteljstvom Ministarstva nauke, tehnološkog razvoja i inovacija Republike Srbije, Grada Belišća, Republika Hrvatska i Udruženja za šumarstvo, preradu drveta, industriju nameštaja i papira, Privredne komore Srbije.

### CILJEVI ORGANIZATORA SIMPOZIJUMA SU:

- Okupljanje stručnjaka iz industrije celuloze, papira, ambalaže i grafike i predstavnika visokoškolskih ustanova, radi razmene informacija o najnovijim tehnologijama, kao i o novim operacijama i procesima u postojećim tehnologijama. Cilj je postizanje smanjenja troškova proizvodnje, poboljšanje kvaliteta proizvoda, uvođenje cirkularne ekonomije, očuvanje životne sredine, ...
- Pružanje prilike stručnjacima da prezentuju rezultate svog dosadašnjeg rada kolegama, te da se kritički razmotre mogućnosti ostvarivanja visokokvalitetnih proizvoda koji zadovoljavaju zahteve svetskog tržišta, kroz manje investicije u postojeću opremu i poboljšanu organizaciju rada u njihovim firmama.
- Promocija mladih kadrova na simpozijumu (inženjera i studenata) kroz prezentaciju njihovih radova i inovativnih rešenja.

### TEME SIMPOZIJUMA SU:

- Inovacije u procesima proizvodnje celulozno-papirne, ambalažne i grafičke (CPAG) industrije: nove tehnologije i trendovi za ekonomičnije poslovanje;
- Primena digitalne tehnologije u CPAG industriji: integracija proizvodnje, marketinga i distribucije za unapređenje poslovnih performansi;
- Efikasnost energetskih procesa: korišćenje obnovljivih izvora i tehnološke inovacije u štednji energije;
- Održivost i cirkularna ekonomija u CPAG industriji: put ka održivijem poslovanju;
- Ekologija i zaštita životne sredine u CPAG industriji: upravljanje otpadom i stari papir kao strateška sirovina;
- Primeri dobre prakse i inovativna rešenja u industriji CPAG: osvrt na postignuto u proteklom periodu;
- Školovanje kvalifikovanog kadra za CPAG industriju i podsticanje mladih talenata: aktuelne potrebe i buduće perspektive.

### PROGRAM SIMPOZIJUMA OBUHVATA:

- Plenarna predavanja (20 + 5 minuta za diskusiju);
- Ostala predavanja (15 + 5 minuta za diskusiju);
- Promocije tehnologija i proizvoda stranih i domaćih firmi (prema dogovoru);
- Organizovanje Okruglog stola - diskusije o odabranim aktuelnim temama.

**Radovi koji budu uvršteni u program Simpozijuma** biće štampani u Zborniku, u originalnom obliku, bez lekture i korekture. Za predavanja po pozivu je predviđeno do 10 stranica formata A4, za ostala predavanja do 8 stranica kucanog teksta, zajedno sa slikama i priložima.

**Autori će imati na raspolaganju:** video projektor, računar, ozvučenje i platno. Ukoliko autori imaju posebne tehničke zahteve, mole se da ih naznače unapred.

**Radove treba dostaviti u obliku Microsot Word dokumenata**, spremnih za štampanje (camera-ready), složenih prema **sledećem uputstvu:** format A4, sve margine po 2,54 cm, font Calibri light, prored "single", prvi red svakog pasusa uvučen za 1,27 cm.

**Redosled pisanja:** naslov rada na srpskom i engleskom (velika slova, 16 pt, bold), imena autora (12 pt), naziv i organizacije sa imenom grada i države, (12 pt), izvod rada na srpskom i engleskom (do sedam redova, 12 pt, italic), ključne reči (12 pt, bold italic), numerisan naslov poglavlja (12 pt, bold). **Na primer:** 1.UVOD, 12 pt, bold; tekst rada, 12 pt; literatura 11 pt, italic.

**Na kraju rada** navesti ime i punu poštansku adresu i adresu elektronske pošte autora za korespondenciju /autora koji će prezentovati rad.

**ŠABLON** za radove koje autori treba da pošalju Naučnom odboru simpozijuma možete preuzeti **OVDE**

**Prihvaćeni radovi** biće objavljeni u Zborniku radova.

**Rok za prijavljivanje radova je 10.03.2024.,** a da bi radovi bili objavljeni u Zborniku, treba ih poslati **najkasnije do 01.05.2024.**

**Prijavite se OVDE**

**Kotizacija za učešće u radu Simpozijuma** je obavezna za sve učesnike i iznosi **20.000 din**, a njome su buhvaćeni:

Zbornik radova i ostali materijali, osveženje u pauzama i svećana večera.

**Službeni jezici skupa** su srpski i engleski, i biće obezbeđen i simultani prevod.

## INVITATION TO INDUSTRY

After last year's successful symposium, we invite you to gather again in Belgrade for the 25<sup>th</sup> anniversary! **The CPAG 2024 symposium** is an opportunity to meet your friends and business partners in one place and meet new ones, with the possibility of promoting your company, technology, or product. We hope that you will find interest and help in organizing this gathering, as in previous years. If you decide to present and promote yourself at the symposium and thereby participate in the work of the gathering, please contact us.

What will make **this symposium different from previous ones** is the **motivation and promotion of young staff**, through their active participation in the work of the gathering. At the next symposium, we would like young engineers and students to present their ideas about innovations in production, new technical solutions, proposals for improving the production process or work organization, and that the best among them be adequately rewarded. In this direction, we would like your support, regarding the prize fund and selection of the best.

## POZIV INDUSTRIJI ZA PODRŠKU

Posle uspešnog prošlogodišnjeg simpozijuma pozivamo vas da se ponovo okupimo u Beogradu, jubilarni, 25. put! **Simpozijum CPAG 2024** je prilika da se na jednom mestu susretnete sa vašim prijateljima i poslovnim partnerima, ali i upoznate nove, uz **moćnost promocije vaše firme, tehnologije ili proizvoda**. Nadamo se da ćete naći interes i pomoći u organizaciji ovog skupa, kao i godinama unazad. Ukoliko se odlučite da se predstavite i promovirate na simpozijumu i na taj način učestvujete u radu skupa, molimo vas da nas kontaktirate.

Ono po čemu će se **ovaj simpozijum razlikovati od prethodnih** je motivacija i promocija mladih kadrova, kroz njihovo aktivno učešće u radu skupa. Želimo da mladi inženjeri i studenti prezentiraju na skupu svoje ideje o inovacijama u proizvodnji, novim tehničkim rešenjima, predlozima unapređenja procesa proizvodnje ili organizacije rada, a da se najbolji među njima adekvatno nagrade. U tom pravcu očekujemo vašu podršku, oko nagradnog fonda i izbora najboljih.

### Deadline:

Deadline for application of your work is **Mart 10<sup>th</sup>, 2024.** and for publishing in official Publication, you should send it before **May 1<sup>st</sup>, 2024.**
